

Commercial Carpet Maintenance Technician (CCMT) Certification Course

In-Person Only

September 27-28
from 8am-5pm

ONLY \$299

This 2-day course includes manuals and catered lunch. Seating is limited.
Pre-Registration is a Must!

This course is designed as an academic and practical assessment of commercial carpet and maintenance processes and procedures.

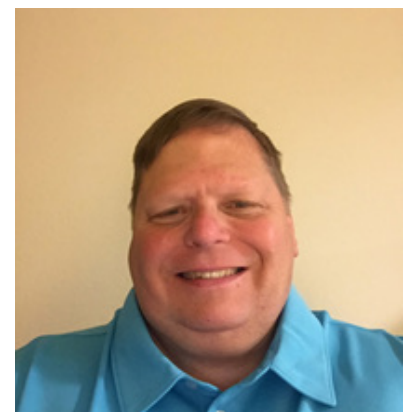

Emphasis is on the ANSI/IICRC S100 Standard for Professional Cleaning of Textile Floor Coverings, carpet cleaning methodologies, safety procedures, and developing standard operating procedures for individuals who will perform these procedures in the field. Upon completion of the certification, students will have a basic understanding of the importance of preventative, daily, interim, and deep cleaning and how they contribute to the overall success of the commercial carpet maintenance program.

It is recommended that a technician has at least six months of experience.

Note: This class is very comprehensive and will require homework.

*** Certification exam fee NOT included.**

Cost of certification exam is \$80 payable to: IICRC.

Instructor
Joey Pickett, MTC, MWR,
SCI

With over 43 years industry experience as a master cleaner, restorer, inspector, and as an IICRC approved instructor in water, carpet, upholstery, and odor related certifications. Joey has provided training and or consultation for many cleaning and restoration firms, insurance companies, fiber producers, carpet, equipment, and chemical manufacturers.
